Mitigating Bill Shock Through Energy Intelligence

“Bakit ang taas ng bill namin?” “Saan napupunta yung pera ko?”

MERALCO RATE • OCTOBER 2026

₱ 15.06

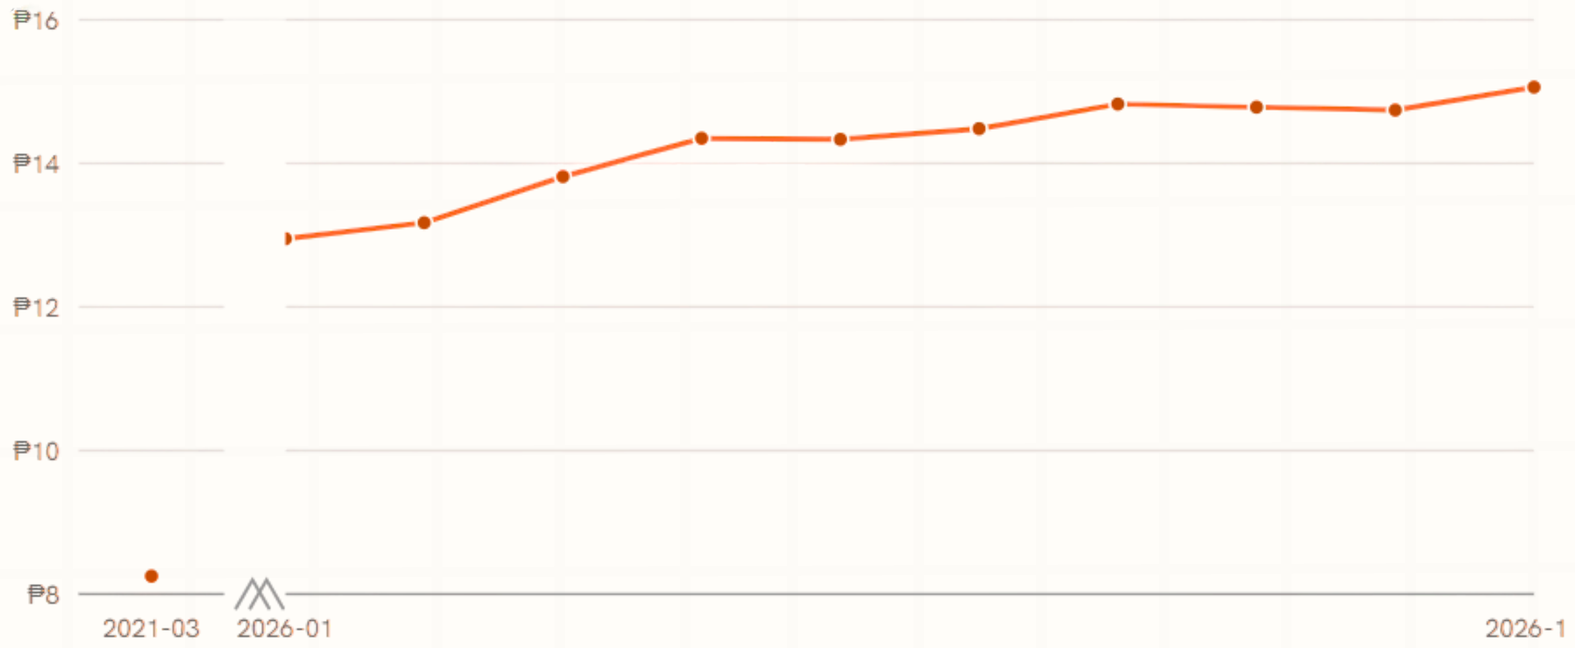

per kilowatt-hour

Household Financial Strain

Sudden rate spikes hit low-income families hardest.

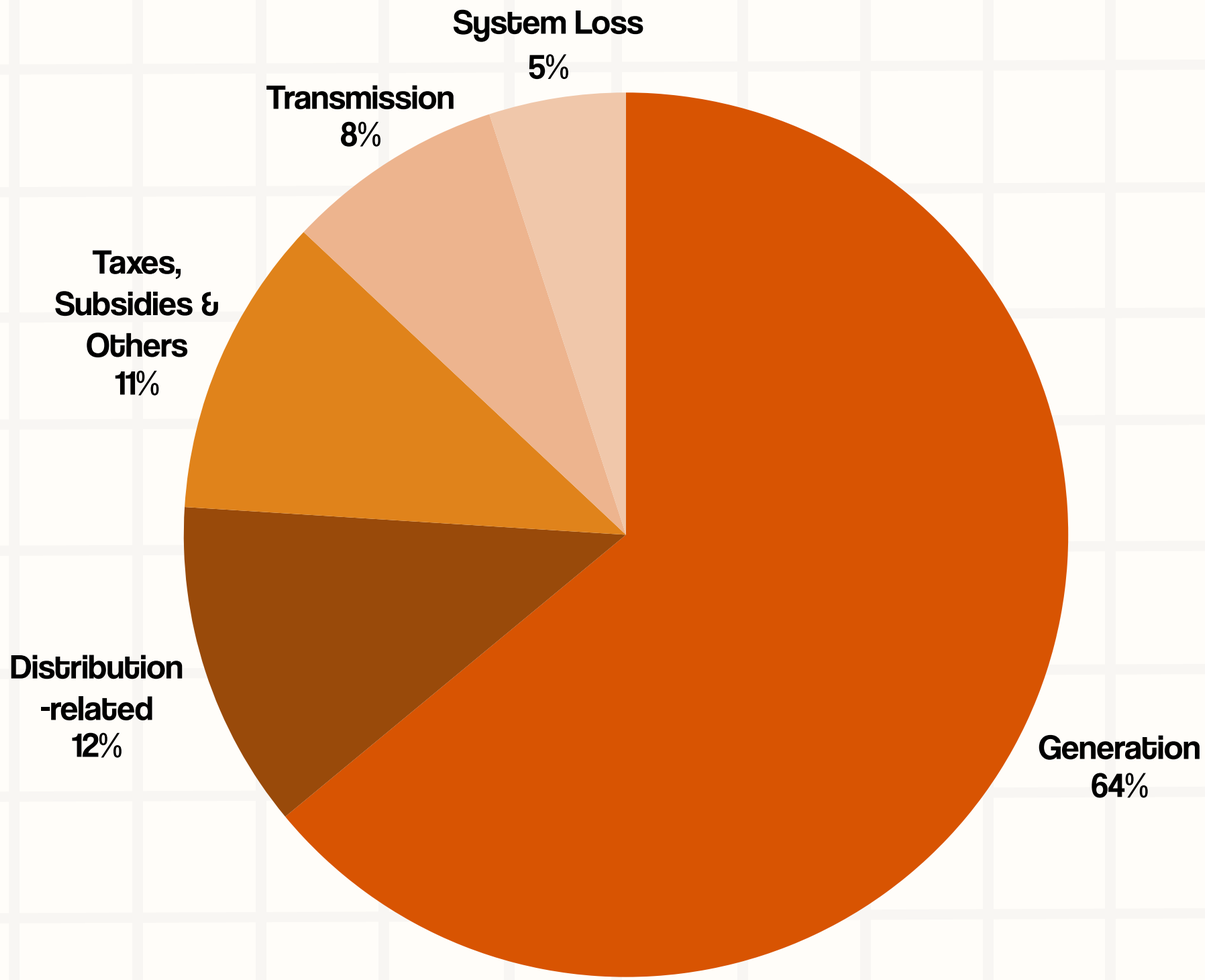

Delayed Consumption Visibility

Bills arrive only after electricity is spent.

Introducing KuryenTipid

Your personal electricity budgeting assistant.

CONSUMER VALUE

For Filipino Households

Smart Plug Integration: Live daily peso spending visibility.

Energy Literacy: Clear appliance-level cost drivers.

Smarter Usage: Cuts waste before bill day.

UTILITY VALUE

For Meralco

Fewer Disputes: Transparent, verifiable usage records.

Higher Satisfaction: Empowered, informed residential customers.

Reponsible Demand: Encourages mindful household energy habits.
